Three firemen are shown in silhouette outlined by the glare from the remnants of the New Club Cafe, as they pour water towards the roof of the John Wolfe Hardware, during the Sunday night blaze. Five fire trucks, including one from Champion and Arrowwood, were on the scene.

Enter Hose-laying Competitions

Members of the Vulcan Fire Brigade, at their Aug. 9, meeting, looked back on a period of about two months in which there were no fire calls, rural or town. Four days after bouquets were handed out to town and rural fire-conscious folk, one of the most severe fires in local history broke out.

A list of needed pieces of equipment was made out at the meeting to be presented to council for consideration and subsequently okayed. Many of the items were in the clothing line and wet firemen Sunday night were wishing the list had gone in a month earlier.

In connection with the recent fire, brigade officials feel a plug concerning recharging, checking or purchasing of fire extinguishers in stores or homes might carry additional weight just now. For some time the local department has been taking orders for such preventive equipment and can recharge soda-acid, foam or dry chemical type extinguishers locally. CO2 types can be left with the Vulcan crew to be sent out for recharging.

Hose laying contests have taken some of the spare time of five members of the town crew this summer. George Richardson, Fred Standing, Claire Schneider, Doc Stewart and Andy Broere have represented Vulcan at various events, the last two being at Red Deer and Bowness.

The boys, armed with record-breaking times on practice runs here, jumped into the Red Deer spraying match and reported doing marvelously well until a cross-threaded connection burst under pressure and disqualified them on each of two runs.

Out of four tries at Bowness last Saturday the crew completed two successful runs through the tricky operation but wound up out of the money, how far out, no one will tell. The idea in this competition is to couple up three lengths of hose, hit a target and change hose with hose pressure on at various times.

Eighteen teams competed in the Bowness affair, three from B.C. and while the Vulcan boys were found wanting in the hose laying, they reported they more than held their own at the banquet and party which followed these events. In the case of both Red Deer

and Bowness, it was the host team which won the competitions with best times.

Changes on fire department strength have been made with Lorne Henry named Deputy Chief and George Richardson made a team captain.

Lundy Findlay of the local crew spent the past week in Calgary where he attended phase three of the Fire Officer's Training course. Chief Bob Johnston expects to take this course next year.

Bridal Shower For Arrowwood Girl

The Arrowwood Community Hall was beautifully decorated with baskets of gladioli and dahlias for the delightful shower given in honor of Joan Ward whose marriage to Jeremy Weeks takes place on Aug. 29.

Friends from Carlsland, Vulcan, Gleichen, Oyen and Gladys Ridge helped to swell the crowd as they joined in the evening of good entertainment. An accordion solo by Carol King and a vocal solo by Patty Lloyd were followed by an amusing contest arranged by Mrs. Stewart Hayes and Mrs. Bob Seeley.

The gifts were brought in by four horses drawing an authentic covered wagon complete with outriders. After a clever figure eight around the barrels the children brought the wagon to a halt at the bride's table. Joan was assisted in opening her many lovely gifts by Lois Hayes, Ella Leadbeater, Anne Bollinger and Joan's mother.

A delicious lunch was served at long tables centered with colorful flowers while the bride's table was tastefully decorated with a bride's cake, tall tapers and floral arrangements all carried out in yellow tones.

Joan thanked all those who had contributed in any way to the success of her shower and invited them to call on her at her home in Calgary.

Mrs. Milton Ward then invited all those present to a pre-wedding tea to be held at their home on Tuesday, Aug. 22.

Town Council Meets

Building Permits This Year Now Over \$350,000

Building permits to the value of \$129,650 were approved at the regular August meeting of the Town of Vulcan council last week, bringing the total value of building permits since Jan. 1, of this year to over \$350,000.

The following permits were approved this month:

Vulcan Municipal Hospital, 52x75 brick addition to hospital. Contractor: Southern Alberta Construction. Estimated cost \$128,000.

Ronald Foster, 12x20 addition to dwelling on Lot 7, Block 31. Contractor, self. Estimated cost \$500.

Lester Johnston, 12x32 frame wash house at trailer park. Contractor, self. Estimated cost \$800. Charles Boutland, 14x22 frame garage on Lot 4, Block R. Contractor: Beaver Lumber. Estimated cost \$350.

Other Business

Additional equipment for the fire department was approved and ordered.

Parking lines and a centre line on main street pavement will be painted by the town workmen as soon as possible.

An extract from the minutes of the May 1957 meeting of the town council was read, showing that the \$1000 deposit made by the Golf Club when water and sewer services were installed at the club house was to be refunded when two-thirds of Block 17 was built on. The block is now fairly well filled in.

The street sweeper which has been used on a trial basis is not considered satisfactory and will be returned.

SERVICE BOARD NOTES

1080 Bait for Coyote Control
The County of Vulcan is considering the use of 1080 bait for the control of coyotes this year.

1080 baits are made up by injecting Sodium Fluoroacetate into large pieces of meat, generally horse meat. These baits are set out in areas where coyotes are known to be doing damage. Only one bait can be set in a township, and cannot be set nearer than one mile to any dwelling.

A killing dose is readily obtained from hard, frozen baits. Only one quarter of a pound of treated meat is required to kill a coyote. The primary cause of death from 1080 poisoning is the effect on the heart. The central nervous system reaction is manifested by epileptiform convulsions. Danger of secondary poisoning is mainly through eating material vomited by a poisoned animal or by the stomach contents of such an animal.

Anyone having a problem with coyotes and wanting to have a bait set on his land should make application to the County Office before Sept. 30.

Call Tenders For Carmangay School

Tenders were called Monday of this week for construction of a new \$166,000 school at Carmangay to replace the school destroyed by fire last April. Tenders must be in by Sept. 6, and work on the school will start as soon as possible.

Meech, Mitchell, Robins & Associates of Lethbridge are the architects and the new building will be constructed of cinder block and brick.

Rescues Water Skier At Travers Lake

Marvin Sultor of Blackie put his St. John's Ambulance training to good use on Sunday when he saved a man from drowning at the Travers Lake. The man had been water-skiing and was wearing a life belt which did not hold his weight. When he got into difficulties about 40 feet from shore, Marvin swam to him and pulled him to shore and administered artificial respiration. Another swimmer assisted in the latter. Marvin did not secure the man's name as when he went to check later, the stranger had left the park area.

This is the second time in a month that Marvin has saved a life as earlier in the season he rescued his niece, Dianna Lindquist from drowning. She had been playing on the wharf and fell into seven feet of water, Marvin instantly rescuing her.

Services Held For Wm. Zaytsoff Jr.

William Zaytsoff, Jr., a resident of the Queenstown district since 1926, died Sunday, Aug. 20. He was 33 years of age.

Mr. Zaytsoff was born in Saskatchewan.

Surviving are his wife, Polly; one daughter, Mrs. E. (Lucy) Hughes of Manyberries; four sons, Nick, Fred, Larry and David, all of Queenstown; his parents, Mr. and Mrs. William Zaytsoff, Sr.; four sisters and four grand-children. He was predeceased by a son, Bill, in 1943.

Services were held in the Mossleigh Russian Church on Tuesday, Aug. 22, at 10:00 a.m., with interment in the Shouldice cemetery.

Vulcan Funeral Home was in charge of arrangements.

Shower Honors Bonnie Beckner

To honor Miss Bonnie Beckner (formerly of Milo) bride-elect of Sept. 2, a shower was recently given by Mrs. L. W. Fleming of Calgary.

The bride-to-be was presented with a white and yellow corsage; the bridesmaids, bride's mother and grandmother with white corsages. The recreation room was capably decorated with white bells, streamers and tapers, and gold roses.

Games were enjoyed by 20 guests, and the winners graciously gave the prizes to the bride-elect. The tea table was centered with white and yellow flowers and a white and yellow cake topped by a miniature bride, decorated by Mrs. V. Orchard. Mrs. J. W. Fleming presided at the tea table and Miss Sharon Beckner and Miss Ilene Armstrong assisted to serve.

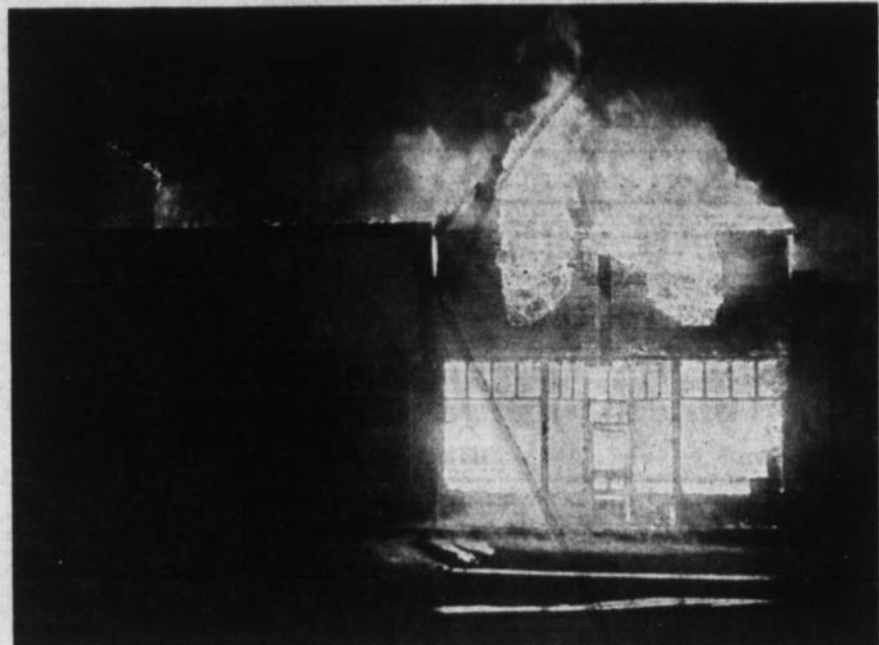

The bride-to-be was presented with a miniature table and chair set which she opened while a lovely bronzetone dinette suite was brought in and set in front of her.

Bonnie, pleasantly surprised with her gift, aptly and graciously thanked all those present.

GARAGE SERVICE

Open on Sunday from 10 a.m. to 5 p.m., from 8 a.m. to 6 p.m. week-days and 8 a.m. to 9 p.m. on Saturday, this coming week.

Central Garage

The last few minutes of the New Club Cafe are shown above as the building bursts into flame. At first there was only smoke coming from the cafe and firemen were able to spray water from adjoining roof-tops but they were hurriedly driven back as the whole wood frame building erupted.

Minor Incidents On Police Report

A long list of minor incidents was investigated by Vulcan police during July but from the most part the month was free of serious charges.

The name of a Didsbury man was given police in connection with a bad cheque for a considerable amount left with a local garage.

A local man was followed on a route which took him and his car down a main street, through an alley and back on the street at speeds varying from 20 to 35 miles per hour. When stopped for questioning the errant driver claimed his foot was stuck on the gas pedal.

One dog was destroyed by police in July while one other complaint regarding dogs was checked. The tranquilizer gun ordered some time ago for dog control has not yet arrived.

Charges have been laid against a man who drove over a fire hose Monday morning following the Sunday night fire down town.

Parents of three groups of children were notified following complaints of lawns being trampled, apples stolen from trees and a water-bag throwing incident. Another group of youths playing with matches behind the Church of Christ lit a small fire which was extinguished.

Mr. and Mrs. George Fulton and Lynell accompanied by Mrs. Alma Sygne of Vancouver spent Wednesday in Calgary where they attended the fall race meet. The Fulton's guests on Thursday were Mr. and Mrs. Dave Evans of Millerville.

For Fifth Time

Ray Wellman Again Wins Foothills Golf Tourney

Ray Wellman won his third successive Foothills Men's Golf Championship on Sunday at Turner Valley when he defeated Don Tanner of High River, two up in the 18-hole final. Ray had to come from behind as he was two holes down after the first nine, but a one under par 33 on the back nine was good enough to take the title for him for the fifth time in the past six years. Ray won his first Foothills Tourney as far back as 1940, also at Turner Valley.

Lawrence Yeoman of Blackie won the consolation of the men's championship flight over H. Boutland of Vulcan. Other flight winners in the men's division were: A flight, Wally Thrun, High River over C. Jespersen, Turner Valley with consolation to Carl Nelson of Champion; B flight, Tom Holm, Vulcan over Ron Beuhler, Vulcan, with H. Lind, Nanton, consolation; C flight honors went to J. Brack of Nanton with G. Lowe, Okotoks and K. Hildy, Turner Valley the other winners; D flight was won by G. Geroux of Turner Valley with A. Nesbitt second and C. McIlvride, Nanton winning the consolation; E flight, Cliff Moore, Turner Valley, Ken Bird, Turner Valley and Ron McKeage, Blackie, with F flight going to J. Furlong, Turner Valley, Dick Hawk, Nanton and H. Stuart of Turner Valley; G flight winners were D. Fancourt of Turner Valley, Sol Spring of Nanton and Ken Wray of Blackie.

Ladies' championship honors went to Edna Leflar of Staveland when she defeated S. Hedley of Turner Valley on an extra hole.

M. Franklin of Turner Valley won the consolation. First flight had Vi Bird of Turner Valley winning over June Wellman of Vulcan with D. Keenan of Champion the consolation winner. B flight had Joyce Nesbitt of Nanton over E. Armstrong of Turner Valley and Edna Lind of Nanton. Final flight winners were K. Stuart of Turner Valley, E. Gilbrandson of Turner Valley and Sarah Wray of Blackie. Low qualifiers were S. Hedley for the ladies and Ray Wellman on the men's side, while the two-ball foursome prize winners were Ron Beuhler and S. Hedley first; C. Wild and June Wellman second. Wally Thrun of High River received a hole in one trophy for his ace scored in last week's play in the tournament.

Next Sunday the local club will have a play-off for the FUA Handicap Trophy. This will consist of 18 holes of medal play between the hours of 10:00 a.m. and 5:00 p.m., and is open to any men members of the Vulcan Golf and Country Club.

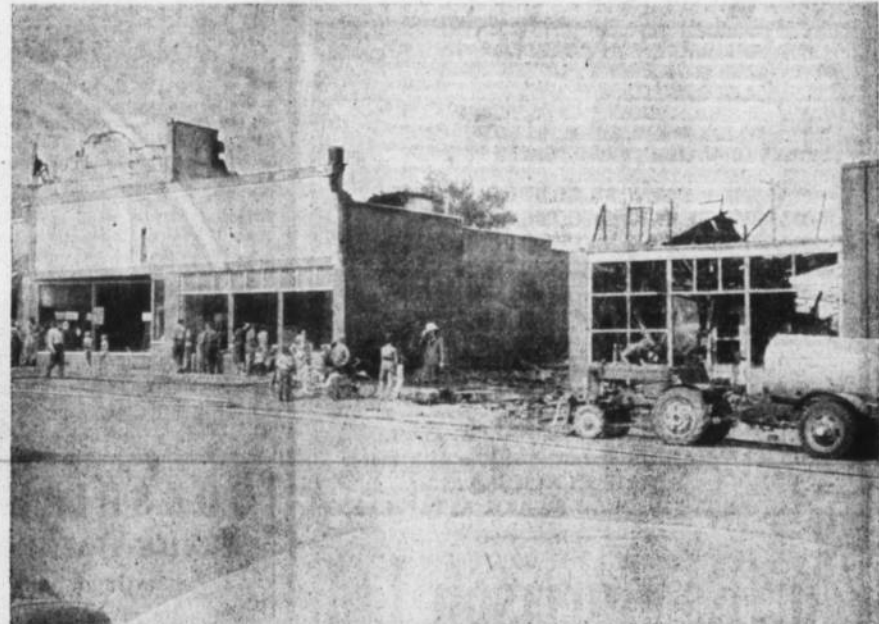

The Ladies' Golf Club have arranged their flights for their club playoffs and all members are asked to check the draw board at the golf club to see and contact their opponents.

THE WEATHER

Ideal harvest weather has prevailed this week, with clear skies, high temperatures and little wind. Harvest is now in full swing throughout the county.

The fire attracted hundreds of spectators, some of them still in pyjamas and housecoats, as flames turned night into day in much of the downtown business section.

The aftermath of the fire is seen above Monday morning as firemen go about their clean-up chores and curious onlookers stare through the windows at the water-soaked interior of the John Wolfe Hardware. None of the hardware windows along the street were broken despite the heat from the burning cafe and firemen managed to control the blaze before it could get through to the main floor of the hardware.

ROOT—In loving memory of Dale Root, who passed away Aug. 23, 1958.

We do not need a special day To bring you to our minds,
Each day we always think of you

And helps us to forget,
But time so far has only proved
How much we miss you yet.
God gave us strength to take it
And courage to bear the blow.
But what it means to lose you,
dear Dale
No one will ever know.
—Ever remembered and sadly missed by his mom, dad, brother and sisters. 4-p
